Public Record

On May 25, 2000, the Wisconsin Central Ltd. (WCL) filed with the Surface Transportation Board (Board) a petition under 49 U.S.C. 10502 for exemption from the provisions of 49 U.S.C. 10903-5 to abandon a line of railroad known as the Crandon-White Lake Line, extending between milepost 254 south of Crandon and milepost 280 near White Lake, in Forest & Langlade Counties, WI, a distance of 26 miles. The line traverses U.S. Postal Service Zip Codes 54520 and 54491 and includes stations at Woodlawn (milepost 259.9) and Lily (milepost 269.0).

On July 10, 2000, the Wisconsin Department of Natural Resources signed a Statement of Willingness to Accept Financial Responsibility pursuant to 49 C.F.R. § 1152.29. This statement is for the segment of WCL railroad line at White Lake Milepost 280 to Crandon Milepost 254, a distance of approximately 26 miles in Langlade and Forest Counties, Wisconsin.

On July 15, 2000, the Wisconsin Department of Transportation on behalf of the Wisconsin Department of Natural Resources filed a request for a notice of interim trail use/rail banking (NITU) under 16 U.S.C. 1247(d) and 49 CFR 1152.29. WCL indicated its willingness to negotiate with WisDNR for interim trail use. The Board issued a NITU under 49 CFR 1152.29, which was served on September 12, 2000, allowing the WisDNR

the full 180 days from the date of service to negotiate a rail banking agreement with WCL. The 180 day period was scheduled to expire on March 11, 2001.

On February 27, 2001, WisDNR and WCL jointly filed with the Board a petition for an extension of the negotiating period for 180 days. On March 9, 2001, the Board granted the request and extended the NITU negotiating period to September 7, 2001.

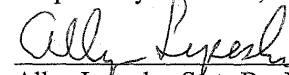

On August 28, 2001, WisDNR and WCL jointly filed with the Board a petition for an extension of the negotiating period for 180 days. On September 6, 2001, the Board served the decision granting the request and extending the NITU negotiating period to March 6, 2002.

WisDNR made an initial timely offer to WCL. Negotiations are currently continuing in good faith between WisDNR and WCL. However, more time is needed to finalize negotiations. WCL is agreeable to extend the time to continue negotiations.

#### MOTION

Therefore, WisDNR and WCL move that the period prescribed to negotiate an interim trail use/rail banking agreement be extended for 180 days.

Respectfully submitted,
